SEE THE EVENT IN
ACTION!

With all the glamour of Monte Carlo, this informal event allows guests to ‘Break the Bank’ without breaking into their own bank!

The entertainment begins as our formally attired croupiers greet your guests and provide them with fun money to exchange for gaming chips. Fun money abounds as our friendly and experienced croupiers turn your guests into millionaires at the turn of a card, the throw of a dice or the spin of a wheel.

For full attention to detail, your fun money can be personalised to contain your company logo or conference message.

Then with intrigue mounting, our Master of Ceremonies introduces himself and explains the format of the evening to your guests. The rules are simple and easy to follow, and the objective is to accumulate as much money as possible during the evening. As the evening draws to a close, winnings are counted, and a bottle of champagne is provided for the most successful individual.

The choice of gaming tables includes **Poker, Blackjack, Craps and Roulette**

“We had a fantastic night. This was our biggest casino night with the biggest prize and KDM handled it superbly” Metlife

CASINO EVENING

THE TABLES

We use professional full-sized casino tables and casino gaming chips.

Roulette

American Roulette is fast and exciting with several people playing at any one time. Players can place as many bets as they like with a pay-out from 'even money' up to 35-1.

Blackjack

Guests play against the dealer with the object of drawing cards totalling as close to twenty-one as possible - without going 'bust'. If you beat the dealer's hand, you're in the money!

Craps

A dice game with several players gaming at any one time. A simplified version of a terrifically exciting game of chance where you can easily turn luck into cash! Tremendous fun and with plenty of player participation.
