SEE THE EVENT IN
ACTION!

Inspired by the iconic show, **Crystal Mazed** is a challenging event requiring mental skill, physical ability and dexterity as teams compete to earn as many crystals as possible to trade for time in the frantic finale in our **Crystal Dome!**

Using the information and equipment provided teams are required to complete a series of activities around four themes namely Aztec, Medieval, Industrial and Futuristic. The challenges are designed to test your teams' ability to nominate the best individual to triumph at the task at hand or succeed together as a team.

Rotating around each activity in turn, teams must use their skills wisely and pull to their strengths in order to rack up the Crystal rocks in their bid for success. With intriguing titles ranging from Chemical Imbalance to Xocolatl Pot each of the unique themed challenges have a Mental, Physical or Skill slant, meaning that Crystal Mazed has something challenging for everyone.

Success in each of the tasks facing your teams will result in the famous finale – where each member of the leading teams shall enter the Crystal Dome, facing the final challenge to collect as many gold tickets as possible and defeat the maze!

“They loved Crystal Mazed, as it was a great mix of physical and mental activities & the finale was superb” Mapeley Estates
