# MONOPOLIZE

## DETAILS

A series of Monopoly themed challenges await, accompanied by branded signage boards, giant Monopoly board replicas, giant dice and even **Chance & Community Chest** cards await your teams in this highly realistic and engaging event!

Split into teams of no more than eight guests, the teams shall compete head-to-head across a selection of six themed challenges as detailed below:

### Property Development

A dice roll determines where each team must move their houses and hotels – of course, it isn't as simple as just using your hands to pick up & move though...

### In the Balance

Using a rope-operated cantilevered platform, teams must assemble the houses and hotels in the correct order – but without tipping the platform over the edge!

### Get Your Facts in Order

All of the authentic looking Monopoly cards must be displayed in the correct order – this challenge will test your knowledge of the finer details of the Monopoly properties.

### On a Roll

In this head-to-head race against the opposition, teams must guide their ball bearings through the maze – all dependent on the roll of the dice of course!

### Get out of Jail!

A mini escape room located in a highly visual jail cell; each team must crack the clues contained within the Monopoly board in order to break into the jail cell...

### Do not pass Go!

Each teams chooses their playing piece from the classic options such as Iron, Top Hat, Thimble and Boot – rolling onto our giant Monopoly board in an attempt to land on the desired property!

### Chance Finale!

Even the weakest teams will still have a chance to win in our Chance Finale – will your team have earned the all-important Get Out of Jail free card though to improve your chances of victory?
