SEE THE EVENT IN
ACTION!

Experience the fun and laughter of a traditional School Sports Day by participating in a lighthearted recreation of those carefree days of school life.

A pair of trainers and suitable sports clothing is all that's needed as we take your guests back in time for a second chance to be top of the class! We organise the entire day, taking teams safely through their paces in a series of fun school races and games.

Skipping and Sack races are just a snippet of this highly entertaining event - a little effort may be required on some of the activities, but they will not be too physically demanding!

Culminating in a winners' medals presentation ceremony (complete with podium!) the school sports day is a unique event designed to generate motivation and team spirit in a simple and often hilarious session of schooldays fun.

"The event went really well – Alan and Elaine made the races fun and even made examples of the cheats!" Experior Group
