THE GAMES

Giant Jenga / Connect 4 / Dominoes / Ker-Plunk

These 4 classic Giant Games need no introduction... yet offer timeless light-hearted entertainment that are sure to keep your guests amused as the competitions unfold.

Giant Operation

Scalpel, scissors, swab, and funny metal tweezers make Operation a simple, yet fiendishly fiddly game, the objective of which is to surgically remove the comically designed internal organs from a supine patient.

Nintendo Wii

Utilizing Wii Sports, we have baseball, golf, tennis, boxing, and bowling and plenty more – all played on a 50" screen.

Quoits

A traditional fairground game played on a decorative backboard with accuracy and a light touch needed to successfully throw the hoops onto the pegs.

Stall Games

Bring back the golden oldie colourful fairground games and choose from Fairground favourites: Clown in the Balls mouth, Coconut Shy, Hook a Duck, Cork Gun Duck Shoot or Tin Can Alley.

Rolla Bingo

This attractively packaged 4-person game will bring out the competitive side of even the most mild-mannered amongst us... as players compete to fill their grid by rolling the balls with a deft touch!

Speed Pool

The traditional American bar game played against the clock in either singles or doubles with players taking alternate shots to clear the table.

Test Your Strength

Roll-up, roll-up and test your strength! Swing the hammer to send the block to the top of the tower and ring the bell on this traditional fairground game.
